Re: Siting Case #126- No Northern Alignment!

L-00000B-04-0126

Dear Chairman Woodall and members of the Committee:

My name is Lisa Allred and I am strongly opposed to placing the power lines through the heart of Casa Grande along the "Northern Alignment". While most of Pinal County is wide open desert and farmland, the area along the Northern Alignment is some of the most densely populated and quickly developing in the entire County. Please do not site this line through the already existing neighborhoods and near our schools and churches. Thousands of people live in the immediate vicinity of the proposed Northern Alignment while very very few live anywhere near the Preferred Alignment to the south of Casa Grande.

Sincerely,

My address is: 1472 E Avenida Kino

Dear Chairman Woodall and members of the Committee:

My name is SAM BRALY and I am strongly opposed to placing the power lines through the heart of Casa Grande along the "Northern Alignment". While most of Pinal County is wide open desert and farmland, the area along the Northern Alignment is some of the most densely populated and quickly developing in the entire County. Please do not site this line through the already existing neighborhoods and near our schools and churches. Thousands of people live in the immediate vicinity of the proposed Northern Alignment while very very few live anywhere near the Preferred Alignment to the south of Casa Grande.

Sincerely,
